

**Kelley School of Business – Indianapolis**  
**MBA Policy Committee Minutes**  
**9/6/2005**

Present: Steve Jones, Rich Rogers, Julie Magid, Tod Perry, Darrell Brown, Andy Lynch, Sue Mantel, Todd Saxton, Jane Lambert, Phil Powell

- I. May minutes were approved with no changes
- II. The Enterprise courses will be the main focus of the committee's work for this academic year. As of now, the faculty enterprise assignments are as follows:

Business Ventures – Todd Saxton, Phil Powell  
Global Supply Chain Mgmt – Mohan Tatikonda, Ken Wendeln  
Finance - Steve Jones

Enterprise staff will need to meet in order to plan implementation and structure of the enterprises. Todd has the January 05 Cohort in Module 1B this semester and can inform them about the enterprises. Staff will also need to meet with Dick McCracken & Bob Grimm about the enterprises and moving X551 to Summer.

- III. The MBA core-faculty retreat in May showed content and flow of the MBA core courses is good, but the interaction among student groups from one cohort to another is not good. There are some dysfunctional groups and some free riders. Two suggestions were that we return to more team building as part of orientation and that Bob Grimm could work with the MBA teams. Steve will follow up on this.
- IV. Phil Powell proposed changing the title of his G595 course from “International Strategies for Growth and Productivity” to “Country Analysis and International Management”. This change was passed by the committee through email vote, administered by Jane Lambert.
