

**A student's perspective of science**

IUPUI student, Emily Johnston explains her fascination with science.

**Date:** November 25, 2009

**Duration:** 0:25

**Transcript**

[E. Johnston] Well, I've always been very interested in nature. My dad's taught me about nature since I was really young, and I've loved hiking and loved just spending time out in the open and observing mostly, but it's very scientific, and I like science. It's fascinating to me.
