Dear Subir - Given our unusual brief, this will be short.

Regards,
John

The Resources and Planning Committee fulfilled its appointed role of providing advice and ideas to the Dean on matters related to the best use of School resources; it responded to issues raised by the Dean as well as offering suggestions of its own. Its two biggest projects during the year were (1) commenting on requests for searches, against the standard background of more requests than resources would allow, and (2) working with the Dean on the development of action items for the Strategic Plan of the School of Liberal Arts.

Subject: End of Year Report

To the Chairs of the Faculty Committees,
We are headed towards the end of the semester and, more importantly, approaching the end of the academic year. We thus need to file the end-of-the year reports. We are therefore asking each of you to send us a report of your committee's work during the year. We would like to have it as soon as you can get it to us but certainly before the

Faculty Assembly on April 15. As these will be posted on the Faculty Assembly website it would be greatly appreciated if you **can send the report by April 11**. I thank all of you for your service to the Faculty and to the School.

Thank You,
Subir Chakrabarti
