

Campus Strategic Plan

- “Big and Bold” research programs that address critical national and international quality of life issues.
- To improve recognition of IUPUI as a potential research collaborator for industry, government, nonprofit, and academic partner institutions.
- Expand and integrate research experiences for undergraduates across all disciplines at IUPUI and develop new programs that foster opportunities for undergraduates to engage in interdisciplinary research and training.

ET Research Strategic Initiatives

- Define research foci that build upon faculty talent established track records and prior investments.
- Increase joint proposals for research and development with partners
