Resources[Home](#) » [Undergraduate](#) » [Student Resources](#)**Academic Support Centers & Free Tutoring****The Chemistry Resource Center (CRC)**

Located in LD 201, the CRC provides students with an opportunity to get additional help in their chemistry courses. Help is free and is available on a drop-in basis.

The CRC is staffed by a core group of workers who are hired specifically to provide assistance to chemistry students.

[Visit the CRC Website to learn more and view the current schedule.](#)
