CREATING THE NEW LOOK

The new logo and tagline were created as a collaborative effort of the marketing committee, Maleta Schmidt (creative professional), Julie Brashaber (Franklin College student designer) and staff. The logo was approved by the JCCF's board of directors. The foundation extends a huge thank you to our committee volunteers who have contributed countless hours to the cause.

➔ The foundation awarded Creekside Elementary School's Boomerang Backpacks program a \$5,000 grant from the Community Impact Fund. The program provides economically disadvantaged students with weekend lunches.

A MESSAGE FROM THE BOARD CHAIR & PRESIDENT/CEO

MAKING THE CONNECTION

We hope you like the new look of the Johnson County Community Foundation's (JCCF) Annual Report. As you will see, a lot of changes were put in motion following the July 2011 adoption of a new strategic plan. Two of the most dramatic changes are the new logo and tagline, "connecting people who care with causes that matter."

Why a new tagline and logo? While foundations were historically built on securing endowments for the future, current donors are looking for ways to plan for tomorrow and see good things happen during their lifetime. We took a step back and asked ourselves, "what is it we really do for the community?" We reviewed our yearly activities and realized that we connect people who care with causes that matter every single day, in this lifetime or as their legacy.

The new logo is many things, including outstretched arms of people being connected with their causes. It also represents the three major roles of a community foundation: endowment building; grantmaking (including scholarships); and convening the community around causes. As you can see, the logo is constantly in motion and reflective of what is happening at JCCF.

Reading through the report, you will see how the new logo and tagline are used to illustrate the good work that JCCF and you, as a donor, do for this community. We hope you will embrace the changes and help us continue to improve our service to Johnson County.

Sincerely,

Ed Deiwert, board chair

Gail Richards, president and CEO

The Johnson County Community Foundation, established in 1991, is a nonprofit organization created by and for the people of Johnson County to help make the community a better place for everyone.

OUR VISION

The Johnson County Community Foundation strives to be the philanthropic leader in improving our community, today and in the future, by connecting people who care with causes that matter in Johnson County.

OUR MISSION

To enhance the quality of life for all citizens of Johnson County, now and for generations to come, by building community endowment, addressing needs through grantmaking, and providing leadership on key community issues.

OUR GRANTMAKING Impacts Lives

The foundation awarded \$285,903 in grants to causes that matter throughout Johnson County.

"It is absolutely certain that some of our students would go hungry on weekends without the food from Boomerang Backpacks. We would not have been able to provide this service to our students and families without the generous support from the Johnson County Community Foundation. Their generosity has undoubtedly made this program possible."

"Our patients and our doctors love the new point-of-care diagnostic equipment that WindRose Health Network was able to buy through JCCF's very generous donation. For certain tests, such as PT/INR testing, there is no more waiting for results from expensive external lab tests. Our doctors can now get the test results, discuss with their patients and make any modifications to their treatment plans all in a single visit. No more waiting, no playing telephone tag – just good medical care on the spot."

WAYS TO GIVE – NOW OR LATER

There are many ways to give. The key is to find the best option for you. The community foundation offers different options to suit your particular needs and wishes – and to accomplish your giving goals and dreams.

LIFETIME GIVING – Watch your charitable dollars make a difference and connect with your community. Start a fund or contribute to an existing one. Join our Circle of Friends to provide ongoing support. Donations of cash, stock, property, real estate, business interests – gifts of any size – are welcome and appreciated at any time.

TRIBUTES – Can be made in honor or memory of a special person or event in the donor's life and can be added to an existing fund or placed in the general endowment.

BEQUEST – Leave a legacy by making a long-lasting gift to create a fund through your will. Unrestricted support will enable us to meet emerging needs of the future in your name.

CHARITABLE REMAINDER TRUST – Receive income from a trust and designate the remainder to create a philanthropic fund. You get an immediate charitable deduction for a portion of the gift and may avoid capital gains and/or estate taxes.

CHARITABLE LEAD TRUST – Create a trust that stipulates a dollar amount to go to the foundation for a specific period of time. At the end of the trust term, the principal of the trust passes back to an individual beneficiary.

RETIREMENT FUND – Gift the assets from your retirement fund by naming the foundation as a beneficiary and creating a "future fund" with us.

LIFE INSURANCE – Designate the foundation as the owner and/or beneficiary of a policy you no longer need.

To learn more about our funds, visit www.jccf.org.

A note from a fund donor –

"Thank you for the information regarding the applicant for Blair's scholarship. This is something I pray about each morning, that we can continue to keep Blair's memory alive through the giving to other young men and women that share his dream of being a pilot. My husband and I agree that this young man has been working hard to achieve his goal of being a pilot, and we would like to financially help him achieve that dream. Thank you for your help in this matter, and for what you do in helping others just like us in keeping the memories alive of our loved ones by helping others."

Blessings,
 Denise Parsley

JCCF'S 17TH STARLIGHT EXPRESS GALA MASQUERADE BALL | 11.12.2011

We had a

Ball!

An evening of mystery and elegance was had aboard the Starlight Express as the guests attended a 20th anniversary masquerade ball. The guests arrived donned in their finest and clad in masks of every shape and size.

A highlight of the event was the celebration of the foundation's 20th year. Chelsi Mobley, a past recipient of a Lilly Endowment Community Scholarship, shared how her life has been changed by the foundation.

"Guests were in tears as Chelsi shared her story. She did a fantastic job verbalizing how JCCF is positively impacting lives," said Steve Spencer, JCCF board member.

Nearly 300 guests were in attendance at the event, and more than \$55,000 profit was raised throughout the evening by donations and auction sales. The funds will provide ongoing support for community events, workshops and other needs throughout 2012.
