Sustainability of the Tipton County Foundation

Donors occasionally contribute to TCF's management and operation—but not often. TCF currently conducts no campaign for its own benefit—only for the causes supported by its various funds.

Sustainability for the management expenses comes from the proceeds of our investments in two ways. One way is by the proportional share allocated directly to the Foundation's own operating endowments. The other is from the fee (lowest in Indiana) paid by each component fund—out of the proceeds TCF itself allocated to the Fund!

No donor dollars are used unless specifically given for that purpose!
