### STAFF COUNCIL CELEBRATING 30 YEARS

1979-2009

#### *IUPUI Staff Council Legacy Project*

Do you like to work in the garden? The Staff Council needs you!

The IUPUI Staff Council Legacy Project continues throughout the spring and summer with weeding the green space located at West and Michigan Streets at the IUPUI Campus sign. If you would like to help us maintain the space by weeding and generally sprucing it up by removing trash, please see the website below, and click on Calendar. The link will take you to a Doodle.com calendar where you can sign up for a day and time that works for you.

Here is the site:

<http://mypage.iu.edu/~keeckert/LegacyProject/index.html>

You can also reach the Legacy Project website through the Staff Council website. Just look under "About the SC."

The website contains pictures from the initial planting for the Legacy Project. This project is designed to keep a Staff Council presence on the campus for years to come. The Council will maintain the space with the assistance of Campus Facility Services and Crossroads Greenhouse. In the fall, we will plant mums and decorative cabbage plants.

If you would like to be a part of the project, please sign up under "Calendar." We'll add your name to the participants list! Thank you for your assistance in making the campus beautiful!

#### Campus Communication Survey

Below is a link to a BRIEF staff survey on internal communications at IUPUI. The survey is very important to improving the efficiency and effectiveness of internal communications on campus.

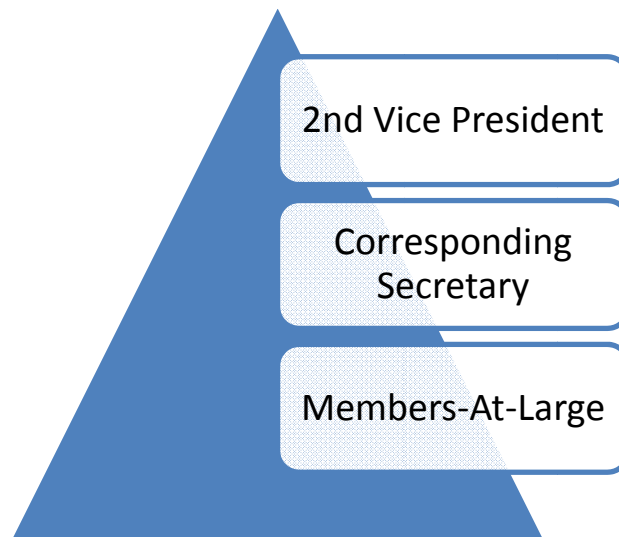

- Survey responses are due by **Friday, May 22**
- Survey is being conducted by the Office of External Relations
- Survey will take 5-10 minutes to complete

## Staff Council Elections: We Need You!!

At the June 17, 2009, meeting of the Staff Council, members will vote for the following officers for the next two years: Second Vice President, Corresponding Secretary, and three Members At-Large. Each of these offices make up part of the Executive Committee.

We are looking for staff members who would like to serve on Staff Council in a leadership role. You do not have to be a Staff Council member, at this time, to run for these offices.

The **Second Vice President** presides over Council meetings in the absence of the President, President-Elect, and First Vice President. The SVP is responsible for monitoring the SC Development Plan, oversees all ad-hoc committees, and runs SC elections. The SVP is also chair of the Membership Committee.

The **Corresponding Secretary** is responsible for SC correspondence, attendance records for Council and Executive Committee meetings, and advising the Membership Committee of those members who have four unexcused absences from Council meetings.

The **Members-At-Large** make up the additional members of the Executive Committee. The Executive Committee appoints all Standing Committee members, selects their chairpersons, determines Council meeting dates and agendas, acts as liaisons to the administration, and interprets Bylaws.

If you would like to run for one of these positions on the Council, please contact Dale Ray, Second Vice President, at [dalray@iupui.edu](mailto:dalray@iupui.edu).

Thank you for your consideration!

## Race for the Cure!

The IUPUI Staff Council team did very well this year in the Susan G. Komen Race for the Cure. The team raised \$1,346 in donations with Ali Godby-Schwab and Lodema Lines raising the most! Rachel Sipes served as team captain this year and did a wonderful job organizing the team.

# Fight the Flu!

## Tips to keep the flu **out** of the workplace and classrooms.

- Wash your hands frequently with soap and warm water for at least 20 seconds.
- Stay home if you are sick. You will help prevent the spread of illness!
- Cough or sneeze into a tissue or your upper arm...not your hands. Wash your hands as soon as possible
- Throw away tissues in a wastebasket immediately after use.
- Avoid touching your eyes, nose and mouth.
- Use anti-bacterial hand sanitizers when you are not able to wash your hands with soap and water.
- Clean your desktop, keyboard, office door handles, and phones with a disinfectant regularly.
