Our Mission

The mission of the Community Foundation serving Howard, Carroll and Clinton Counties is to improve the quality of life of the community through the accumulation and stewardship of enduring charitable gifts.

Vision

The Community Foundation is recognized by the community to be an effective, credible and influential broad-based organization. It serves the community as a catalyst dedicated to improving the quality of life of our people through the permanent stewardship of financial gifts placed in its care.

As the number of people touched by the Foundation continues to rise, this statement of “vision” is coming ever closer to reality.

Core Values

To express the underlying philosophy of the Foundation, the board drafted a series of “core values” statements that reflect the fundamental philosophy of its operation. These values provide guidance to both paid staff and volunteers as we interact with donors, grantees and the community:

We hope these statements make clearer in your mind the role and purpose of the Community Foundation. If you have questions, suggestions or comments about any of these statements, please call us, we'll be happy to discuss them further.

On behalf of all of the volunteers and staff of the Community Foundations of Howard, Carroll and Clinton Counties, thank you for your commitment and interest in the Foundation and the community.

Dear Friends of the Community Foundation Serving Howard, Carroll and Clinton Counties:

Your generosity and visionary thinking inspires us as we work with individuals and organizations that are committed to changing our communities for the better. This inspiration starts with our donors who bring their passions to us to help them create connections with the community.

Together we have provided support to address issues facing the community – from basic needs and social services to culture and education. Our role is to link needs with people who are interested in improving the community now and in the future.

Our board members understand their communities and have determined an emphasis on education will build a community that is informed, empowered and connected. In Howard County, a grant was provided to support free preschool education to help at-risk youth learn academic, physical and social skills to prepare them for success. In Clinton County, we provided funding to purchase the site to house Ivy Tech Community College, and matching funds were provided to encourage donors to support bringing the campus to Frankfort. Board members in Carroll County are collaborating with local schools through an initiative that encourages students to continue schooling beyond the high school level.

While this focus on education is critical, we are also aware of many other needs in the community and we continue to provide support to meet those needs. That's where matching the passions of those we work with to the different philanthropy goals creates a bright future and a changed community.

Thank you for your interest in your Community Foundation and in your community.

The Community Foundation serving Howard, Carroll and Clinton Counties has achieved the Certificate of Standards Compliance with the Ethical and Operational Standards for Indiana Community Foundations. The standards are administered through the National Association of Council on Foundations to verify that foundations demonstrate accountability, transparency and continuous self-improvement.

Ways to Give

Gifts can be made with:

- Cash
- Life Insurance
- Bequests
- Appreciated Securities
- Real Estate
- Private Foundation Transfer

IRA 401(k), or Other Qualified Retirement Plan

Planned giving is as easy as designating a percentage of your IRA, 401(k) or other qualified retirement plan to the Foundation as a beneficiary.

Other Planned Gifts

The Foundation also offers donors several other types of gift arrangements that provide a variety of tax advantages and income benefits to donors. These include the following:

Charitable Gift Annuity

This is a contract between the donor and the Foundation. In exchange for the donor's irrevocable gift, the Foundation agrees to pay one or two annuitants the donor names a fixed sum each year for life. The payments are guaranteed by the Foundation.

Charitable Remainder Trust

This allows donors to place assets such as cash, securities, or real estate in trust, which then invests the asset. The trust provides income to the donor or loved one for life or a term of years. The trust balance goes to the Foundation for a charity of the donor's choice.

Charitable Lead Trust

During the trust's term, the trustee invests the trust's assets and pays the income to the Foundation for the purpose the donor designates. When the trust term ends, assets are distributed to a loved one.

Retained Life Estate

This allows donors to give their home or farm to the Foundation, while retaining the right to live in it for the rest of their lives. At the end of the donor's life, the property is sold and the proceeds are used to establish a fund that carries out the donor's charitable wishes.

Flexible Giving

The Community Foundation is a flexible vehicle for charitable gifts of all sizes, from public, corporate, foundation, or private sources. Both large and small gifts can take a variety of forms; depending on tax and estate planning priorities.

Types of Funds

Community Endowment Funds

Recognizing that the community's challenges and needs will change, donors have established community endowment funds to address these needs now and forever. Donors can entrust the Foundation with the selection of the most needed programs to receive grant funding based on a competitive process.

Donor-Advised Funds

Donors may be actively involved in the grantmaking by recommending which qualified charitable organizations should receive grants from their advised fund. These flexible funds enable donors to address a wide variety of issues as their charitable interests and priorities change over time.

Designated/Agency Funds

Donors may identify one or more charitable organizations to receive an income stream forever. If at some time in the future the named charity is no longer recognized as a 501(c)(3) organization, the Foundation board of directors has the variance power to select another organization with a similar purpose to benefit from the fund.

Field of Interest Funds

A field of interest fund allows donors to support a broadly defined area, such as the arts, youth, health and more. The Foundation awards funding through a competitive process to the most needed programs within the donor's area of interest of the fund.

Operating Endowment Funds

Donors support the work of the Community Foundation through their gifts to operating endowment funds, which provides support to the operating budget of the Foundation forever.

Scholarship Funds

Donors may customize a scholarship fund to provide educational opportunities for graduates of certain schools, for studies in specific fields or for programs at particular institutions of higher education.

Non-Permanent Funds

These funds are designated for short-term programs or special projects.

Did You Know ...

Good planning requires good information?

When you visit our Web sites, you will find helpful estate planning information to assist you in creating the plan that is right for you.

Without a plan that is unique to your wishes, an unnecessary amount of your assets may go to the state and federal government in taxes. Your remaining assets may go to individuals other than those you prefer to benefit.

Through our Web sites, you have the ability to receive a free wills planner designed to help you gather information you will need to plan for your future.

Go to cfhoward.org, cfcarroll.org or cfclinton.org to access our planned giving features.

Legacy Fund – An Opportunity to Grow

Sometimes a great idea needs a little time to grow. That's why we created our 'Legacy Fund' as a new way for our donors to grow an endowment fund that will provide a permanent income stream to the charitable organization of their choice.

Funds established under the Legacy Fund program are intended to grow to the \$12,500 minimum over a period of six years. The first payment would be \$1,000, and additional payments can be made for any amount at any time by anyone.

This meets the need of the donor who has the desire to start a fund but requires a little more time in fulfilling the minimum. As the donor builds the fund, the Foundation will reinvest and credit all interest, dividends and market returns to the fund.

Once the fund reaches the \$12,500 minimum, the income will be used to award grants from the fund.

Lilly Endowment Community Scholarship

For the past 15 years, the Community Foundation has participated in the Lilly Endowment Community Scholarship Program.

The program was designed to raise the level of educational attainment in Indiana and increase awareness of the potential of Indiana's community foundations to improve the quality of life of the state's residents.

With the 2012 awards, the total number of Lilly Endowment Community Scholarships awarded to Howard, Carroll and Clinton county students is 94 with an approximate value of \$6.6 million.

2012 Lilly Endowment Community Scholars

Endowed Funds

The following is a listing of endowment funds that are administered by the Foundation. Any person is welcome to make contributions to any of these funds. It should be pointed out that donors might create their own named fund with a gift of \$12,500 or more. Donors can name their funds after themselves, their business, or a loved one as a memorial or tribute, or use some other name that is meaningful to them.

The Legacy Society

The Legacy Society is a very special honorary organization within the Foundation. It recognizes those forward thinking individuals who have remembered a fund within the Foundation in their estate planning or gift planning.

A legacy gift can be made to one or more of the existing funds in the Foundation or can be used to establish a new fund to support the charitable organization of the donor's choice. There are several ways this can be done. Estate planning vehicles include:

- Beneficiary Designation of IRA & Qualified Retirement Plans
- Charitable Gift Annuities
- Charitable Lead Trust
- Life Insurance
- Bequests in Wills
- Charitable Remainder Trust
- Retained Life Estate

You do not have to disclose the amount or nature of your gift to the Foundation to become a member of the Legacy Society. You may also choose to be recognized anonymously.

By giving to the Community Foundation, you can be assured that your gift will exist as a permanent charitable endowment, where only the income from the gift will be used for the purpose you intend.

To learn how you can support your favorite charity for generations to come, contact the Foundation office at (765) 454-7298 or (800) 964-0508 or by e-mail at info@cfhoward.org.

Current Legacy Society members have already taken steps to provide support to the community until the end of time, and we certainly appreciate their level of commitment.

Howard County Historical Society facilities are clearly marked for visitor destinations. Grant funding helped to purchase signs that provide greater accessibility to the Seiberling Mansion, archives and offices.

Howard County Grants

1. Students participate in a BLUSH Boot Camp that provided strategies to empower youth to stand with integrity when faced with difficult decisions. The Foundation provided scholarship funds so low income and at-risk youths could attend.
2. A Head Start student travels to and from school each day wearing her safety vest. Funding was provided to Kokomo Center Schools to purchase 50 vests for the preschool children.
3. Community leaders break ground for a 28-unit facility that will house homeless veterans in Kokomo. While living at the Jackson Street Commons apartment complex, veterans will receive addiction and mental health services, social services, and on-site job training. The Foundation provided funding in support of the project.
4. The Salvation Army thanks the Foundation for providing support to move its food pantry to provide better accessibility for clients with mobility issues.

Howard County Grants

1. Youngsters take a break from swimming during summer camp that is provided as a free service for children with bleeding disorders. Grant funding was provided to Hemophilia of Indiana to help supplement costs associated with the Howard County families who receive free support services.
2. An open shelter was built to protect gardeners as they sort and weigh vegetables grown in the Greentown Main Street Association's community garden. Funding was provided to build the shelter and to purchase a trailer for hauling water to the garden.
3. The CASA Program of Howard County received funds to purchase marketing materials that help to educate, recruit and train volunteers. The program provides advocates for abused and neglected youth.

1. Children enjoy a snack served from the upgraded kitchen at the Clinton County Boys and Girls Club. Funding was used to improve the kitchen so programs could be expanded to conduct food preparation classes and to accommodate the increased number of children being served.

2. Young shoppers play in an interactive environment at the Frankfort Public Library. Grant funding was used to refurbish the early literacy learning space designed to develop children's pre-reading skills of talking, singing, reading, writing and playing.
3. Grant funding supported new signs marking the Frankfort lagoons and fishing ponds.
4. To help seniors who want to live independently, a centralized kitchen was installed at Wesley Manor. Funding also supported the purchase of refrigerators and microwaves for fifteen apartments at the facility.
5. A student participates in a tutoring session at the Learning Network of Clinton County. Grant funding was provided to increase the tutoring hours to allow for more flexibility in scheduling sessions.
6. The City of Frankfort received funding to repair the stairways and posts at TPA Park to restore the historical entrance.

*Howard County's
Foster Society*

The Foster Society is named for David Foster, the first philanthropist in Howard County history. He donated the land that would become the City of Kokomo. These donors in the Society made gifts in 2012 to support the operating costs of the Community Foundation.

*Moving the Community
Forward*

Leaders of the Community Foundation of Howard County looked at areas that are critical to moving the community forward. With a focus on access to a quality preschool program, they approved a \$120,000 pro-active grant.

This grant helps to prepare children for success by providing opportunities for the physical, social, emotional and academic growth of each child.

Carroll County Friends

In 2012, a group of donors joined the “Friends of Carroll County,” which supports the annual operating expenses of the Carroll County Community Foundation. We express our deep appreciation to these public-spirited people and businesses for their support of the work of the Carroll County Community Foundation.

To recognize their commitment to the Carroll County Community Foundation, members of the Friends of Carroll County were honored at a dinner celebration.

At the event, Al Jackson, a board member, gave a presentation covering the types of endowed funds, ways to give and how donations to the Foundation have a positive impact on the community. He thanked everyone for their current support and encouraged them to talk with other community members about the benefits of giving through the Foundation.
