IUPUI Nanotechnology Discovery Academy Summer Camp for High School Students

The Nanotechnology Discovery Summer Camp is a week-long day camp (June 11-15 or June 25-29, 2012) that provides a unique opportunity for high-school students entering their sophomore, junior, and senior years to explore the interdisciplinary field of nanotechnology on the IUPUI campus. Nanotechnology concerns the control of matter in the nanometer scale: one nanometer is one billionth of a meter, or 100,000 times smaller than the diameter of a human hair. This cutting-edge field is becoming an essential part of science, engineering, medicine, and many other disciplines. The camp fee (\$295) covers all camp materials and supplies, and includes daily lunch and the cost of one IUPUI course credit.

Program Requirements

- High School student
- Interested in exploring nanotechnology applications in medicine, science, and engineering

Benefits

- Work with world-renowned faculty mentors
- Earn one college-credit hour
- Discover innovative technologies
- Gain hands-on laboratory experience
- Engage in research and learning activities
- Discover innovative technologies

Camp Dates

- Cohort 1: June 11-15, 2012, from 9:00 a.m. to 5:00 p.m.
- Cohort 2: June 25-29, 2012, from 9:00 a.m. to 5:00 p.m.

Apply

To apply for the summer 2012 INDA Program, **please fill out this application**. The extended application deadline is **May 18, 2012**.
