TAX EXEMPT INFORMATION

The FFA Alumni Association (local, state, and national) is considered for Internal Revenue Service exemption purposes as a subordinate to the National FFA Organization, which at time of non-profit exemption approval in 1976 was the Future Farmers of America Organization. Article I, Section A of the FFA Alumni Association Constitution defines the FFA Alumni Affiliate as an affiliate of the FFA Organization. Article V, Section A of the FFA Constitution also lists the FFA Alumni as a division of membership followed by Section C giving a definition of eligible persons for Alumni membership.

INTERNAL REVENUE TAX NUMBER

The central organization, according to the Internal Revenue Service, is the FFA Organization. The FFA has been designated a group exemption number (GEN) by the Internal Revenue Service. All subordinates of the FFA, which includes all **chartered and active** local and state FFA Alumni Affiliates, must use this GEN number to verify tax exempt status on all reports to the IRS. Local and state FFA Alumni Affiliates must file for their own employer identification number (EIN) which is required when filing the IRS Form 990. The EIN is also required when bank accounts are opened or other investments are established that generate interest or dividends for the local or state FFA Alumni. The EIN is obtained by filing an SS-4 form with your regional Internal Revenue Service Center. The SS-4 form has 18 questions and will take only a few minutes to complete. You should list the FFA's GEN number on line 8 of the SS-4 form. Line 8 should read, "If nonprofit organization, enter GEN _____." This statement on line 8 will eliminate the local or state association from having to file for their own tax-exempt status, a process which is both costly and time consuming. Line 15 should list educational support as the principal activity.

The IRS sends the National FFA Organization a list of all affiliates using the FFA's group exemption number for their EIN on an annual basis. The national office is required to verify this list for the IRS and add/delete FFA chapters or Alumni affiliates as necessary. If an affiliate becomes inactive (less than 10 dues paying members) with the National FFA Alumni, they will be in violation if they use the GEN for non-profit status.

For control purposes, the National FFA Alumni will provide the GEN number to chartered, active affiliates upon request. Newly chartered affiliates will receive a tax information packet along with their charter certificate and scroll.

WHO MUST FILE FORM 990

Any Alumni Affiliate receiving a Form 990 must return it to the Internal Revenue Service. Note that if the gross income of your affiliate is normally not more than \$25,000 you are only required to answer the questions at the top of the form. When gross income is (over the period of two or more years) normally greater than \$25,000 a year, the affiliate must complete the entire Form 990 or 990EZ. An affiliate should define gross receipts to mean the total amount received from all sources (including membership dues and all fund raising activities) during its annual accounting period, without subtracting any costs or expenses. If the Alumni affiliate does not receive Form 990 and does not normally have gross income of \$25,000, the affiliate is not required to file Form 990. Form 990EZ may be used by FFA Alumni Affiliates with gross receipts less than \$100,000 and total assets less than \$250,000 at the end of the year.

TAX EXEMPT INFORMATION (Continued)

DUES AND OTHER CONTRIBUTIONS ARE TAX DEDUCTIBLE

Membership dues and other contributions to the FFA Alumni are eligible IRS deductions for the contributor when the support to the organization and its activities do not derive benefits of more than the nominal monetary value. As outlined in the FFA Alumni Constitution, the organization is designed to support and serve rather than to provide monetary benefits to its members which normally means that contributions are tax exempt.

Personal charitable contributions, under the revised tax laws beginning 1987, may only be claimed as itemized deductions on Schedule A, Form 1040. Items that are normally considered charitable contributions to the FFA Alumni are:

1. Life and annual membership dues
2. Cash contribution
3. Out-of-pocket expenses you paid to do volunteer work for the FFA Alumni. This includes attending conventions and meetings as an official representative, delegate or award winner. Out-of-pocket expenses such as lodging, meals and registrations are normally deductible. For more information, see IRS Publication 526 (www.irs.gov).
4. Car or truck travel at the rate of 14 cents a mile or actual cost of gas and oil for driving on approved FFA Alumni activities or to FFA Alumni meetings when you are the approved representative.
5. The appraised value of material items donated to the FFA Alumni. This could include items donated to an auction, animals donated for FFA livestock chains, or equipment donated to a vocational agriculture shop. Items worth more than \$5,000 must be appraised by a professional appraiser.

You cannot deduct the cost of raffle tickets, events from which you receive personal benefits, entertainment or the value of your time or services. If an individual contributes more than \$3,000 to the FFA Alumni, the contributor must list the FFA Alumni and amount on line 14b of Schedule A, Form 1040. The EIN number of the FFA Alumni Affiliate will be required for contributions over \$3,000. If non-cash contributions are more than \$500, Form 8283 must be completed.

EXPENDITURES FOR POLITICAL PURPOSES

A political expenditure, as defined by the Internal Revenue Service, intends to influence the selection, nomination, election or appointment of anyone to public office or a political organization. The FFA Alumni is a 501(C) 3 organization and must file Form 1120-POL if their political expenditure exceeds \$100 per year. The National FFA Alumni policy states that it is non-political and does not make political expenditures as described above. Individuals of the FFA Alumni can make political donations at any time without involving the organization.

Reasons to Have a Local FFA Alumni Affiliate

National FFA Alumni Affiliates work to:

- Support and promote the FFA Organization, FFA activities and agricultural education on local, state and national levels.
- Facilitate involvement and support of former members and others interested in FFA and agricultural education.
- Promote and maintain an appreciation of the American free enterprise system.
- Enhance the personal development aspect of FFA.
- Serve as advocates for FFA and Agricultural education on local, state and national levels.
- Utilize volunteer management tools provided by National FFA Alumni.

With the increased diversity of agricultural education programs, it is becoming more difficult for advisors/teachers to keep up with all the additional activities. Former FFA members and interested adults are a natural resource of help and support. Focus is on new technology in agriculture and agribusiness, therefore it is important to involve all types of people in your community. An FFA Alumni Affiliate can unify the local community to support agricultural education and FFA activities and provide valuable assistance to agriculture advisors. With the FFA Advisor coordinating activities, the Alumni can provide hands, hearts and minds to ensuring success.

How to Organize a Local FFA Alumni Affiliate

The estimated times below are approximate and show that it doesn't take a lot of time to start an alumni affiliate. Follow these guidelines to establish an alumni affiliate to support your efforts and ensure your program's survival.

<u>Estimated Time</u>	<u>Task</u>
-----------------------	-------------

<u>5 minutes</u>	A. Identify potential members. A strong, well-organized, local organization begins with a strong nucleus. Three to five interested individuals can be the foundation to starting off on sound footing. Utilize the leadership the FFA Organization has already developed in your area.
-------------------------	---

<u>10-15 minutes</u>	B. Develop tentative bylaws prior to the meeting. (Suggested bylaws available on our website at www.ffa.org/alumni/)
-----------------------------	---

<u>28-29 minutes</u>	C. Call a nucleus meeting to:
-----------------------------	--------------------------------------

5 minutes	1. Review the purpose and benefits of a local affiliate and how it will help local FFA members and the program.
-----------	---

3 minutes	2. Define membership eligibility.
-----------	-----------------------------------

3 minutes	3. Discuss the procedure for chartering a local affiliate.
-----------	--

5 minutes	4. Review the suggested FFA Alumni bylaws, constitution and application for local charter.
-----------	--

2-3 minutes	5. Appoint a chairperson to assign duties.
-------------	--

10 minutes	6. Make a list of potential members and divide the responsibility of contacting each prospect between nucleus committee.
------------	--

<u>20 minutes</u>	D. Publicize an organizational meeting that is open to the public, the alumni affiliate and community members:
--------------------------	---

10 minutes	1. Write and deliver a news release to the local media and announce meeting date, location and purpose.
------------	---

5 minutes	2. Have FFA members send handwritten invitations to parents, administrators and community leaders.
-----------	--

5 minutes	3. Nucleus members contact potential members in person or by telephone. Ask people to spread the word to at least five other individuals.
-----------	---

NATIONAL FFA ALUMNI CHARTER (Continued)

60 minutes	E. Conduct the organizational meeting:
5 minutes	1. The temporary chairperson and committee should present the purpose of the meeting, explain purposes and objectives of a local FFA Alumni Affiliate and discuss possible activities to help accomplish them.
5 minutes	2. Review alumni promotional materials.
10 minutes	3. Invite an FFA alumni state or national council member to assist in presenting the purpose and objectives of the alumni association.
30 minutes	4. Temporary chairperson asks for motion to form affiliate. The local chapter advisor or FFA president then takes over the meeting for the election of president. Make sure the president is respected and willing to put forth the time and energy necessary to start an affiliate. The president then takes over the meeting to conduct the election of the vice president, secretary and treasurer. A local constitution and bylaws should be handed out and each item discussed. From this, draw up the permanent constitution and bylaws. A motion to accept the constitution and bylaws is then in order.
10 minutes	5. Establish local dues and set date for next meeting. National and State (annual and life) membership dues amounts should be mentioned. The length of time from this first organizational meeting in which a potential member can be considered a charter member should be set. Most chapters allow one month, the shorter the time, the better.
<u>10 minutes</u>	F. Publicize the results. Publicity of the meeting should go to all media sources. Successful activities of a local FFA Alumni Affiliate will make a successful organization.

SPECIAL NOTES:

- 1. Have all members pay dues immediately following the meeting. This will insure they will be charter members.*
- 2. Complete a roster with each member's first name, last name, complete mailing address (street name, P.O. Box #, City, State and Zip Code).*
- 3. If the member is currently a member of another affiliate and would like to transfer to the new affiliate, please include all information plus current affiliate number and member number if known.*

NATIONAL INCENTIVE PROGRAMS (Continued)

REBATE PROGRAM

The Membership Rebate Program rewards annual membership growth on the state level. The rebate is based on two factors:

- 1) Number of annual members (over 500) determines \$ multiple
- 2) Number of life members

Number of Annual Members	Rebate Amount per Life Member
501-1500	.75
1501-2500	1.00
2501-3500	1.25
3501-above	1.50

To calculate your state's rebate amount -- find the number of annual members your state has in the chart above, this determines the dollar amount factor. Multiply this factor by the total number of National Life members in your state, this determines your state's total rebate.

The rebates are awarded annually to the State FFA Associations at the National FFA Alumni Convention.

AFFILIATE INCENTIVE PROGRAM

Established during the 2000/2001 membership year, this program provides an additional incentive for local agriculture instructors to charter new or re-activate existing affiliates. Each agriculture instructor who charters a new or re-activates an existing Alumni affiliate with the National FFA Alumni Association for the current membership year, from September 1 through August 31 (roster/charter documents submitted by May 15 postmark deadline), will be entered into a \$1,000 drawing. The agriculture instructor whose name is drawn will receive \$500 and their corresponding alumni affiliate will receive \$500. No application is necessary, all affiliates who meet the criteria will be entered into the drawing. The winner will be announced after the National FFA Alumni convention.
