

BIENNIAL REPORT

2011-2012

Whitley County Community Foundation

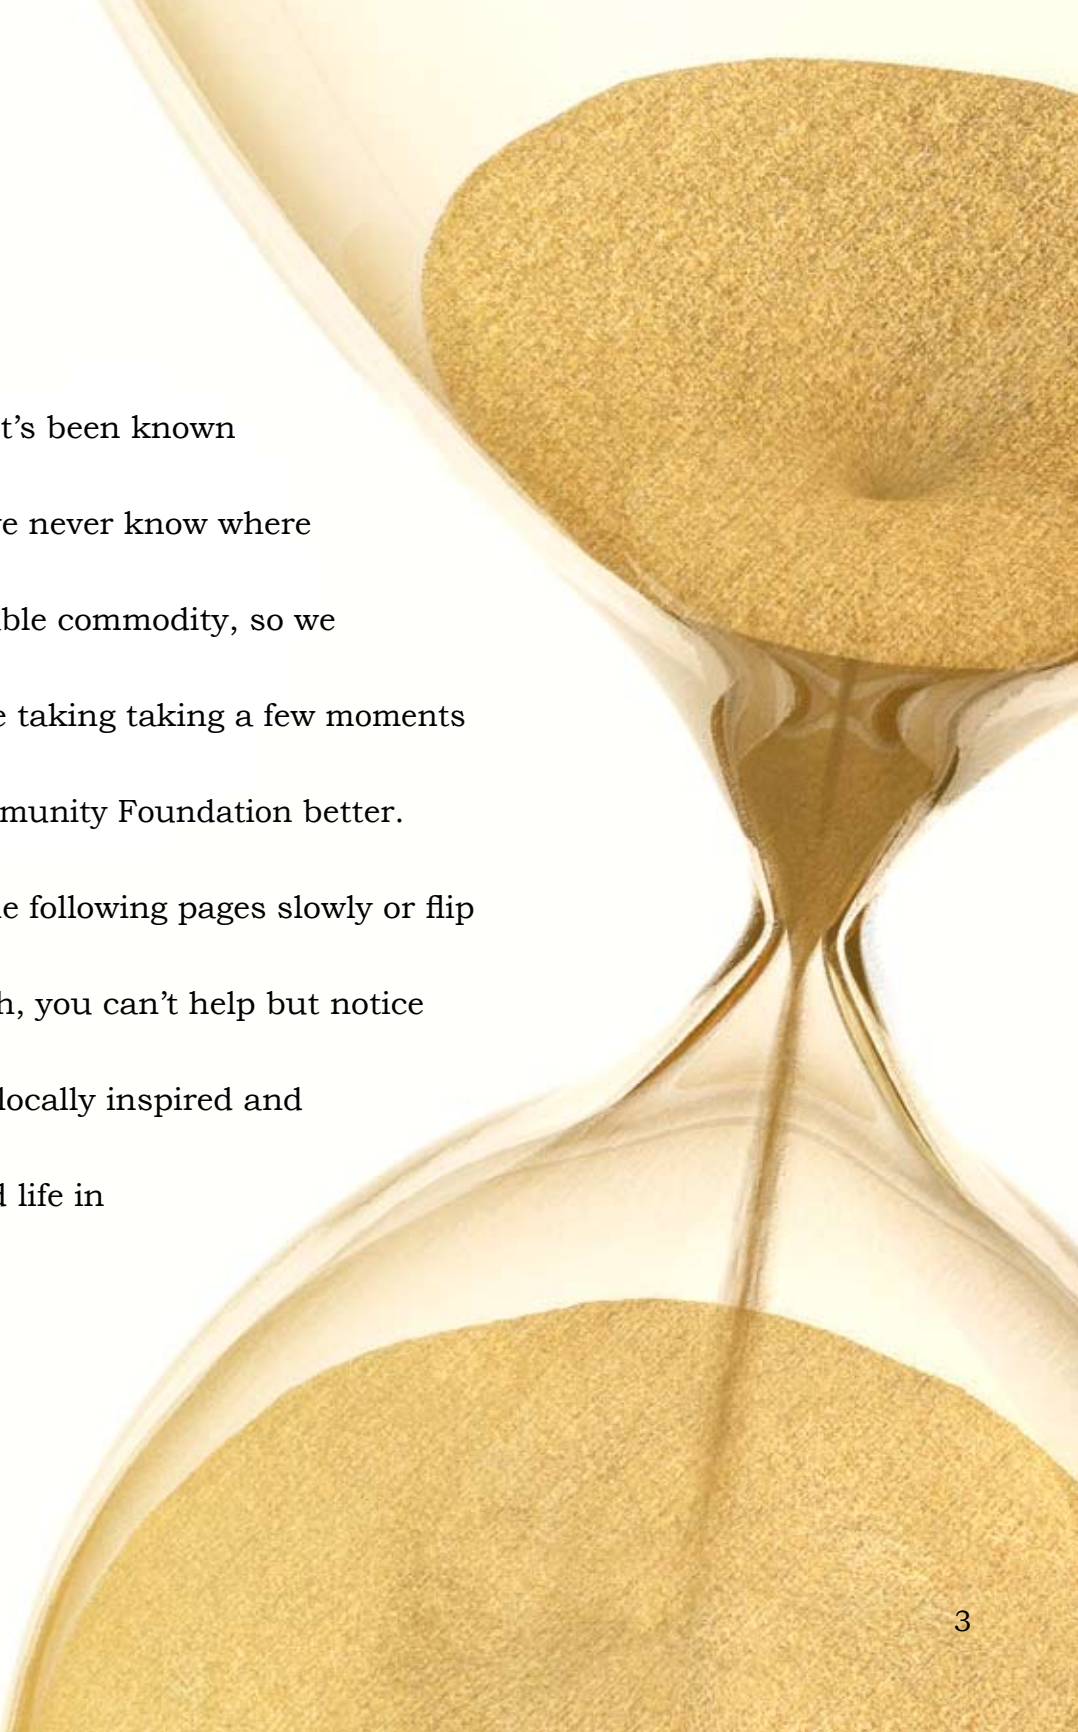

It's About Time...

4-H pig wrestling

Time for some summertime fun at the 4-H Fair! While the Foundation holds a 4-H Beef Scholarship Fund, Whitley County's future pork farmers are getting their schooling first hand!

Time. We make it,
take it, find it, lose it. It's been known
to fly, slip away, and we never know where
it goes. Time is a valuable commodity, so we
appreciate that you are taking taking a few moments
to get to know our Community Foundation better.
Whether you peruse the following pages slowly or flip
through them in a flash, you can't help but notice
that charitable giving, locally inspired and
directed, has enhanced life in
Whitley County.

W

here does the time go? Remarkably, this report covers a period when the Whitley County Community Foundation celebrated its 20th Anniversary. What isn't surprising is the impact our Foundation has had on the Community since its inception back in 1991. Through the years, Whitley County residents have embraced the concept of shared philanthropy. They understood that regardless of the size of their gifts, they could make a difference to things they care about here at home. We have generous donors with giving hearts to thank.

It is also right to acknowledge the volunteers past and present, who have worked tirelessly toward the shared vision of Whitley County's potential. Whether they have been members of the Grants Committee who strategically decide funding allotments during our two annual grant cycles, or the Scholarship Committee volunteers who slice through a jungle of paperwork each spring to make sure our scholarship selection is fair and equitable; by giving the gift of time, these individuals have strengthened and guided the Foundation's reach. We have other committees-- Finance & Investment, The Women's Giving Circle, Heart of Gold, Good Samaritan, and Count Me In!, whose members have gotten up early or stayed late, loosened their collars and re-filled coffee cups as they worked to make sure the Foundation's mission is realized to its fullest ability.

We celebrated our 20th Anniversary with a party. One of the most touching moments came when watching former and current Board members gather together for a photo. There was a richness in reflecting upon what each individual brought to the Foundation and what their outstanding performance has meant to our community. I continue to believe that the leadership of our Board is unmatched. They routinely

find themselves called upon to provide direction, approve expenditures and serve as touchstones for community issues. It goes without saying that they are the bedrock of this organization.

Information drawn from our 2011 990s indicated that the Whitley County Community Foundation was one of the top ten performing Indiana Community Foundations according to measures of Program/Community Service Success. This research was based upon ratios and measurements for Program operating expenses/Total operating expenses, Grant dollars awarded/Total assets and Grant dollars awarded per capita in our county.

In addition, in 2012, our Foundation was re-accredited as being in compliance with National Standards for Community Foundations. This official confirmation from the Council on Foundations affirms that we have met the most rigorous standards in philanthropy. It reflects our commitment to financial security, transparency and accountability. It indicates our grant making includes an open, competitive process designed to address the changing needs of our community.

I am privileged to work with an upbeat, professional team. A day doesn't pass at the office when we aren't reminded that our work is about bettering the community and serving donors. There is a great intrinsic reward in knowing that we can make a difference here and our time is being spent on something we love.

September McConnell, Executive Director

Through a testamentary gift, The Mildred & Theodore Schultz Fund was established in 1997 as a field of interest endowment at the Community Foundation. Now, years later, the town of South Whitley continues to benefit from the Schultz's generosity and vision.

Endowed Giving: Standing the Test of Time

Forever is a long time. And a promise is a promise. Put those two things together and you have an endowment fund at the Whitley County Community Foundation that will stand the test of time.

When a donor turns to the Community Foundation to start a charitable endowment, it is with the intent that their gift, given today, will do good work forever. And when the Community Foundation accepts the gift, it's with the promise that their wishes will be protected and thoughtfully carried out.

Here's the secret to endowments: When a gift is given to an endowment fund at the Community Foundation, we don't spend the donation. Ever. Instead, we save the gift and invest it wisely to grow and produce earnings. A Fund Agreement is executed when the endowment is started. This legal instrument ensures that the Community Foundation is obligated to distribute the earnings pursuant to the donor's intent. Distributions of endowment earnings are called grants or scholarships. Typically, only a portion of the total earnings are distributed. This allows the endowment fund to grow and stand the test of time. As the years go by, grants or scholarships from the endowment will far exceed the amount of the donor's original gift.

Time to Remember

Robert & Nancy Tucker-Buesching
Memorial Scholarship Established

Theirs was one of those almost-too-good-to-be-true love stories that paired a Churubusco farm girl with a boy from the Blue Ridge Mountains. Nancy loved emergency medicine and built a career in nursing. A graduate of the University of Evansville, Bob had a fondness for fishing, a gift for music, and a knack for honest insurance sales. They met in Fort Wayne, Indiana and married in December, 1962.

The couple was blessed with two spunky daughters, Rhonda and Rene, who were raised with the priceless gifts of homemade Halloween costumes, hikes in state parks, fabulous vacations, and perhaps the best gift of all, parents who loved one another. The daughters grew up and married; Rhonda to Todd Jones of Pierceton and Rene to Joseph Leitheim of Hamilton. Time would bless the couple with five grandchildren. The Tuckers enjoyed nearly fifty years together.

Their family endured heartbreak when Nancy passed away on April 13, 2012. That loss was still fresh when Bob died just three months later on July 8, 2012. The devastation of losing two beloved family members so closely together was cushioned by the legacy of love that Bob and Nancy left to their children and grandchildren. To honor Bob's gift of music and Nancy's passion for nursing, the family created an endowment fund within the Whitley County Community Foundation. The Robert and Nancy Buesching Tucker Memorial Scholarship will be awarded annually to a graduating senior from Whitley County planning on studying nursing or music at a two or four year institution of higher learning.

A Time to Shine

It was simply an idea whose time had come.

Vanessa Bills has been the Community Foundation's Business Director since 1998; if anyone understands how the Foundation works, it's her. She also served on the Board of Directors for Passages, Inc. for six years, so if anyone understands the importance of celebrating abilities over disabilities, it's her. Add the fact that she was a cheerleading coach for ten years to the mix and you've got *The Dazzlers!*

Dazzlers founder, Vanessa Bills, gives Alisha Kimmel a hand with her pom poms.

The idea for creating a special needs cheerleading squad came to Bills while she was watching her niece in a cheerleading competition. "I had always wanted to help with some type of recreational activity for special needs children and felt this is one activity I could organize. Most little girls are awed by cheerleaders. Kids with intellectual and physical disabilities are no exception."

To help make her idea become a reality, Bills submitted a grant application to *Count Me In!*, an endowment fund at the Community Foundation created to help adults share their time, talents and treasures with local youth. In this case, it was a request for funds to purchase uniforms for the squad. Her grant request was approved by the *Count Me In!* Committee and the Whitley County Dazzlers became the first special needs recreational opportunity for children in our area. Shortly after receiving funds for uniforms the squad received a modest grant from the H.A.N.D.S. Foundation, also part of the Community Foundation, for bows and professional hair styling before a competition.

Vanessa and an enthusiastic group of former high school cheerleaders volunteer their time as coaches. There is no cost for a child to participate. "The first year we had six girls, now we have nine and the group continues to attract interest. The families and cheerleaders have become friends through this process and it feels like an extended family. The girls are excited about going to practice and competitions and it gives their parents an opportunity to talk and share. Mostly it's a lot of laughter and smiles," she reflected.

Those smiles are dazzling and the cheerleaders warm the hearts of every audience member who is lucky enough to watch them perform. But the Foundation is also proud to give a nod to one of our own, Vanessa Bills, an experienced community leader who had an idea that shined.

Rotarian Elmer Heinley takes a break from volunteering to enjoy the 4-H Fair. The Foundation is proud to hold the Columbia City Rotary Scholarship Fund. Built over time through years of fundraising events, the endowment helps local students achieve their educational goals.

At the end of 2012, Dale Duncan, Aileen Meier and John Whiteleather completed their fifth consecutive two-year board terms. That's a lot of Foundation experience! As individuals, each brought their own insight and special talents to the Board table. Their leadership and dedication left lasting impressions and our organization was made stronger by their involvement.

Benton E. Gates, Jr.

Time to Reflect

November 9, 1929 - September 14, 2011

While many good things unfolded during the period covered by this report they were tempered with somber occasions as well. This report is dedicated to Benton E. Gates, Jr., who was a fan and advocate even when the Community Foundation was just an idea, and to whom we owe so much. Ben was a founding Board member and served as President of the Board of Directors in 1994. Our community recognized him as a prominent attorney, a respected civic leader and a proud family man. We miss his insight, intelligence and good humor.

Staff members knew that we had received Ben's highest endorsement when he requested that the Whitley County Community Foundation take over administration of a scholarship fund that he and his wife Betsy had established in memory of their daughter, Betsy Jane. Understanding these annual awards had been a continued link to the child they missed so deeply, we felt honored when they entrusted the preservation of the fund to our organization.
